CUSTOMIZE. UPGRADE. REPAIR.

The Vibram® Sole Factor turns your shoes into a statement about who you are, and where you are going. Upgrade any pair to have better performance and personalized style no matter what the terrain or adventure.

WE'VE GOT SOLE

YOU'VE GOT OPTIONS

Upgrading your shoes with the Vibram® Sole Factor is simple: choose a sole and step into style.

01

BRING IN YOUR SHOES

Think of your cobbler as your local transformer. He or she will assess the style and configuration of your shoes, listen to what you want to achieve, then suggest optimal options for Vibram soles.

02

SELECT YOUR SOLE

Which option captures your spirit? New York or Oregon? Mister Tank or Lady Ripple? And don't forget color: Camo Red or Autumn Glory? Lime Green or Black Gum? So many choices! Perhaps you should upgrade more than one pair?

03

WE'LL DO THE REST

Your cobbler is a Vibram Sole Factor professional, fully trained to maximize your footwear to suit your lifestyle while ensuring a comfortable fit.
